No.

As a candidate, what are your top three policy issues (6 words per line)

Ensure that the school board, parents and staff become activists in demanding adequate funding for our district.

Lobby for videotaping of school board meetings to improve accountability and transparency.

Look for unnecessary expenditures to allow more money to be invested in the classroom.

I am seeking public office because (25 words):

I've learned, the hard way, the costs of not being involved in municipal and school board policy-making in the early stages. It's much more difficult to fix a problem after it's been allowed to fester than to help guide policy from beginning.
