As a candidate, what are your top three policy issues? (10 words or less per issue)

- 1. Budget Funding**
- 2. School Funding**
- 3. Convention Of States**

What are your views on state tax policy? (100 words or less)

Scrap the Kansas Experiment use a Kansas Natural Resources approach to close the LLC Tax Loop Hole on the Oil & Gas that Farmers & Ranchers in Central & Western Kansas are using

If Kansas faces a significant revenue shortfall in meeting its budget, how would you propose to balance the budget? Please be specific. (100 words or less) Begin by using the 2012 Tax & Expenditure Budget as a Base Line, close the LLC Loop Holes

What are your views on K-12 school funding? In anticipation of a new funding formula/process, what are your priorities? (75 words or less)

The unfairness is readily apparent but until WE find the revenue from those out West while we're doing ALL the funding in the East & they're not we'll continue the downward slope were on.

What are your views on the state's role with respect to access and affordability of public higher education? (50 words or less)

What is your position on individual tax credits and other voucher-like programs for private school tuition (50 words or less)? In favor

What types of economic development policies will you support to encourage job growth and business expansion in Kansas? (50 words or less) Until WE look at how states like Texas, Oklahoma & now even Ohio with Fracking are partially or totally funding they're States Budgets we can't look forward on almost ANY issue.

Do you support or oppose maintaining the current dedicated sales tax transfer to the state highway fund for the purpose of funding transportation projects, or should transportation be subject to the appropriations process where legislators determine funding levels entirely? Explain. (75 words or less) Funding once again is the BIG issue; our Highway Patrol is terribly underfunded I'd prefer some immediate funding to it as I want my Public Safety before my roads, I'd be open to which ever would stop the bleeding there First.

What is your policy position on the state's role regarding immigration and do you support employment-based immigration reforms to assist with workforce shortages in specified industries such as engineering? (50 words or less) 95 Million Americans out of work & NONE are Engineers? REALLY?

**What role should state government have in determining workplace employment practices and benefits offered to employees? (50 words or less)
Total Right To Work advocate I don't know many Companies that don't offer a Fair wage 401K or now because of Obama Care Health Benefits or a way to attain them.**

What do you believe is the most pressing issue or challenge facing Kansas today and how would you address it? (75 words or less) FUNDING...If WE must declare the Gas & Oil in Central & Western Kansas as inherent Kansas Natural Resources to be shared by ALL Kansan's & that ANY monetary gain should be shared at SOME level with ALL Kansan's. Just throwing numbers..every 100k they are receiving from KANSAS Oil or Gas...we should get at least 10k

What do you believe most distinguishes you from your opponent(s) in this race (75 words or less)?

My life experiences, I'm Adopted spending a little over a year in a Foster Home, Decorated 8yr Navy Vet, experienced the FAILED Workmans Comp System which lead to my Disability & NOW on Medicare. Experienced Medical Malpractice which under CURRENT Law because of NO money in it for the Lawyers 2 Doctors go unpunished for injecting me TWICE with a drug I'm allergic to requiring 6months bed rest to heal. The loss of my mother to Dementia & MY approach to the ENTIRE Budget Funding.
